Look to this day
for it is life
the very life of life
In its brief course lie all
the realities and truths of existence
the joy of growth
the splendor of action
the glory of power
For yesterday is but a memory
And tomorrow is only a vision
But today well lived
makes every yesterday a memory
of happiness
and every tomorrow a vision of hope
Look well, therefore, to this day!

October 23, 1976 — A Day to Remember

ACADEMICS

OKLAHOMA GOVERNOR

DAVID BOREN

In 1976 Governor David Boren took further steps in creating areas of excellence in each of the fifteen Oklahoma colleges. Music, drama, and foreign language areas have been changed from specific majors to general

studies. Nevertheless, Business and Agriculture have received greater attention due to the plan of the seventies. Boren visited OSU in the Fall to discuss current state government politics with students and faculty.

After representing OSU for ten years the Kamms are stepping out to represent the United States in UNESCO. For all their happiness and contributions, the *Redskin* staff dedicates this Academics section.

Dr. Kamm served as President of OSU from July 1966 to February 1977. He had previously served as Dean of the College of Arts and Sciences and as Vice President for Academic Affairs at OSU.

Maxine Kamm stood graciously beside him as First Lady of OSU. We are proud of their hospitality and endless energy. Together the Kamms are strong and positive; their zest for life set a friendly atmosphere on the OSU campus.

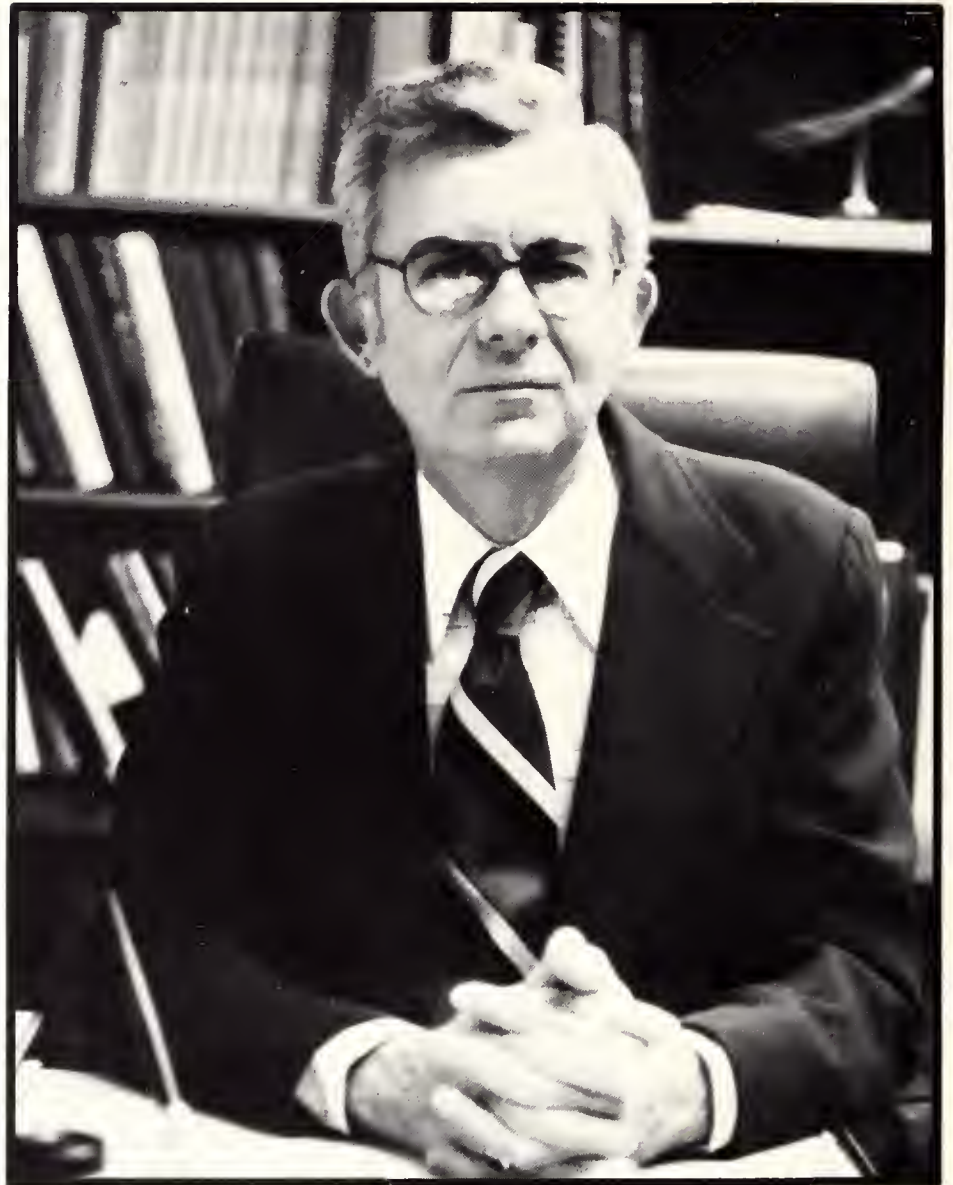

TOGETHER

Ho, brother, it's the hand clasp and the
good word and the smile
That does the most and helps the most
to make the world worth while!
It's all of us together, or it's only you
and I —
A ringing song of friendship, and a
word or two of cheer,
Then all the world is gladder, and the
bending sky is clear.
It's you and I together — and we're
brothers one and all.

Whenever through good fellowship we
hear the subtle call,
Whenever in the ruck of things we feel
the helping hand
Or see the deeper glow that none but we
may understand —
Then all the world is good to us and
all is worth the while;
Ho, brother, it's the hand clasp and
the good word and the smile!

Pointing out the proposed student center which was helpful in earning accreditation is Dr. Phil Chandler, director of OSU Technical Institute in Oklahoma City.

OSU Tech Oklahoma City

Oklahoma State University Technical Institute in Oklahoma City was born in 1961. Fourteen years later, the institute sports 19 technologies and four certificate programs guided by a full-time faculty of 43 and a part-time faculty of 51. Almost 2,500 students will be enrolled in 1976-1977. To meet the changing technological needs of Oklahoma City, the institute's programs emphasize business, community services, engineering and health technologies. Confused with junior colleges, the institute is wrestling to maintain its identity as a two-year college institution offering associate of science degrees in technical fields. Accreditation was a big step toward according the institute status in higher education.

Master plan for the seventies.

Student Government Association

The *Student Government Association* opened the School year by starting an intense voter registration drive prior to the presidential election. Emphasis was placed heavily on Programs and Services such as CAC and Renters Legal booklets. Seminars were held on renting and leasing homes and apartments, how to establish a credit rating and guarding high pressure scales. Senate elections were also held in the fall. For those students venturing into the world of business, information marts were held for those seeking internships and summer jobs.

The controversial starting time of school and fall class scheduling prompted the Student Government Association to poll students about their reaction to this and see if they had any suggestions on how to improve the starting date of next Fall's classes. New offices were also added to make the staff's space more efficient.

Tulsa 33-21

Spirit was high for the Tulsa game, as it always is for the season opener. There had been much concern as to the ability of the defensive unit but this game proved to be the molding of the squad. Likewise, the offense was able to get the points needed on the board. This game was to kick off the most unpredictable season ever at OSU.

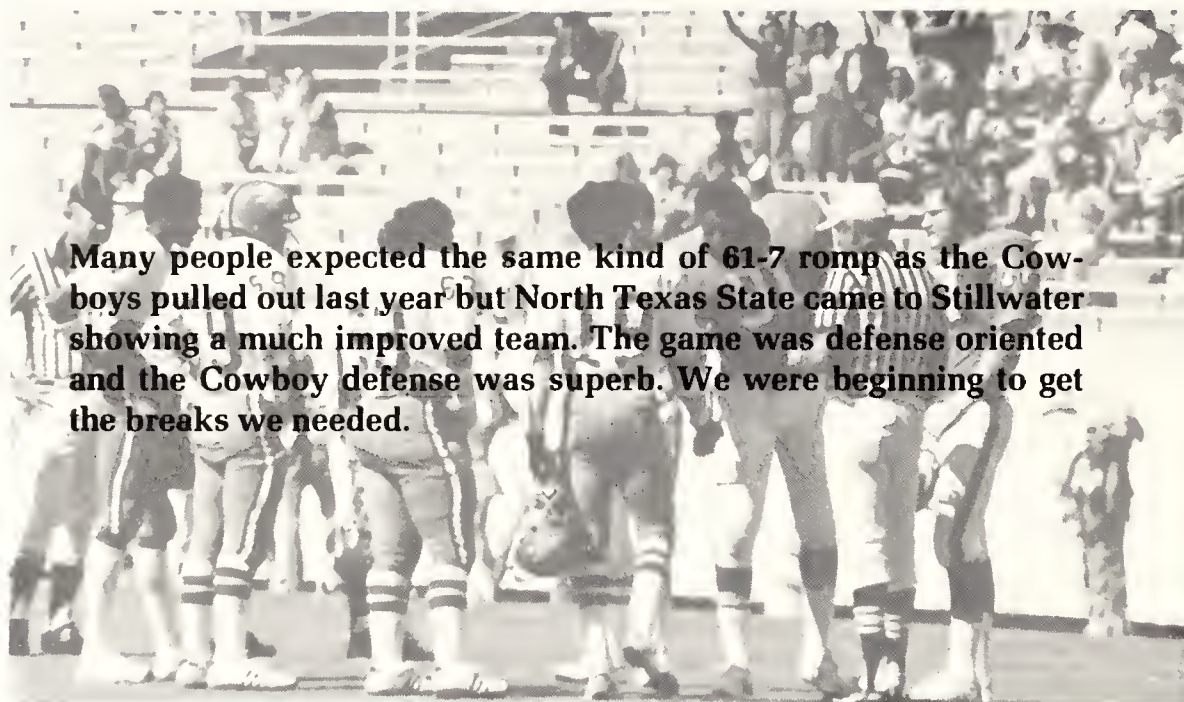

The only night game of the year saw the Cowboys making several small yet important errors. Statistically, OSU outscored the Razorbacks, but the defense allowed Arkansas to get by on the long run. The offense just couldn't put together what it took to win and the Cowboys' record stood at 1-1.

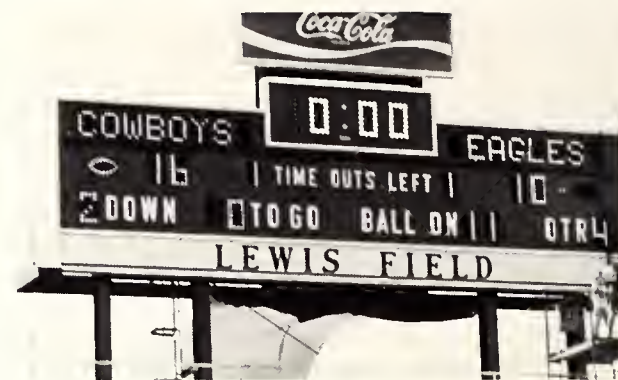

TOP: Charlie Weatherbie hands off to Robert Turner on the draw play. TOP RIGHT: John Corker and Mike Edwards stop the Tulsa Golden Hurricane. MIDDLE RIGHT: Even though surrounded by Tulsans, Charlie Weatherbie still manages to make a few yards. RIGHT: Senior Milton Kirven scores six points after intercepting a Tulsa pass. ABOVE: Craig Simmons throws a powerful block to give Charlie more time, as Mark Perrelli takes care of a Razorback downfield.

Arkansas 10-16

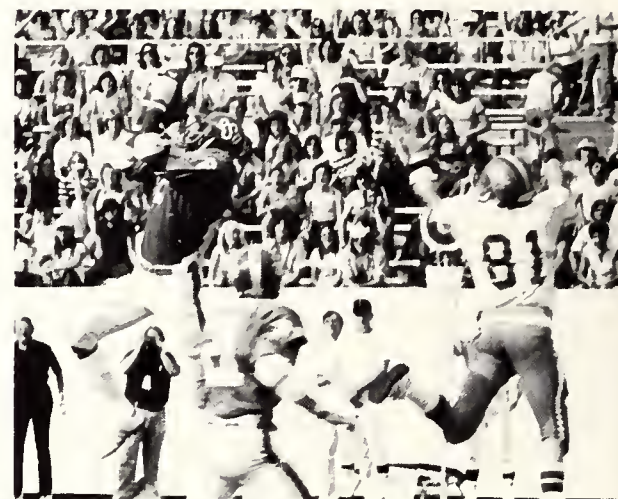

North Texas State 16-10

Many people expected the same kind of 61-7 romp as the Cowboys pulled out last year but North Texas State came to Stillwater showing a much improved team. The game was defense oriented and the Cowboy defense was superb. We were beginning to get the breaks we needed.

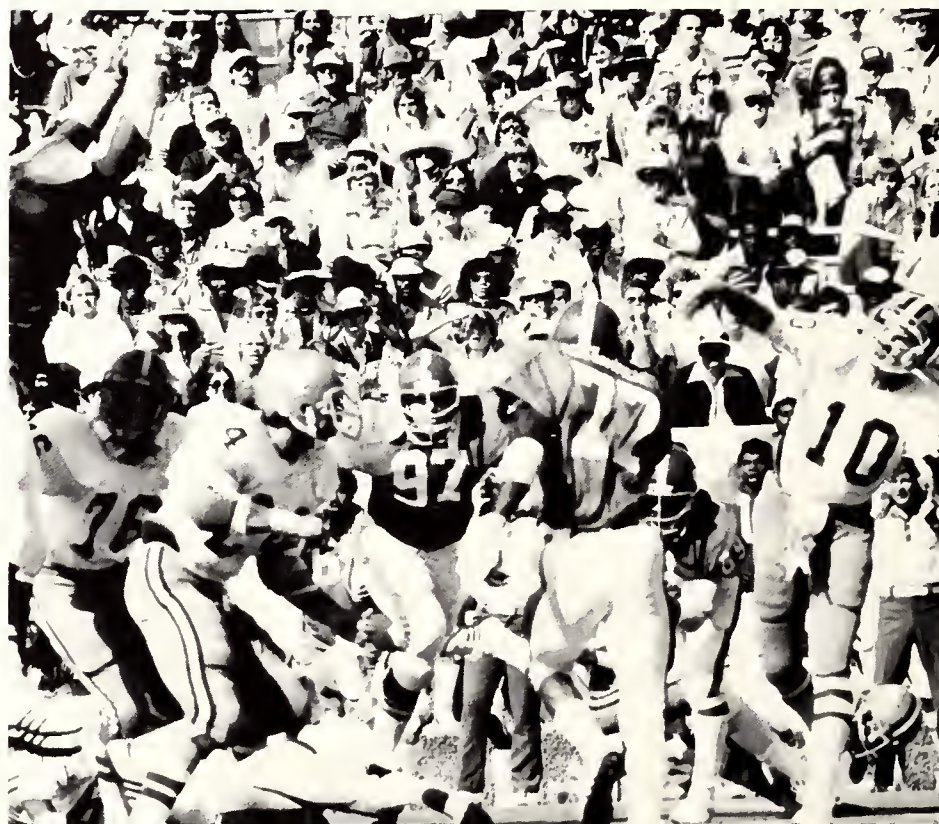

ABOVE RIGHT: Final score OSU 16-North Texas State 10. RIGHT: Clifton Sullivan intercepts a pass in the third quarter. ABOVE: Cowboy captan, Phillip Dokes, greets Eagle captan Kenn Washington prior to the toss.

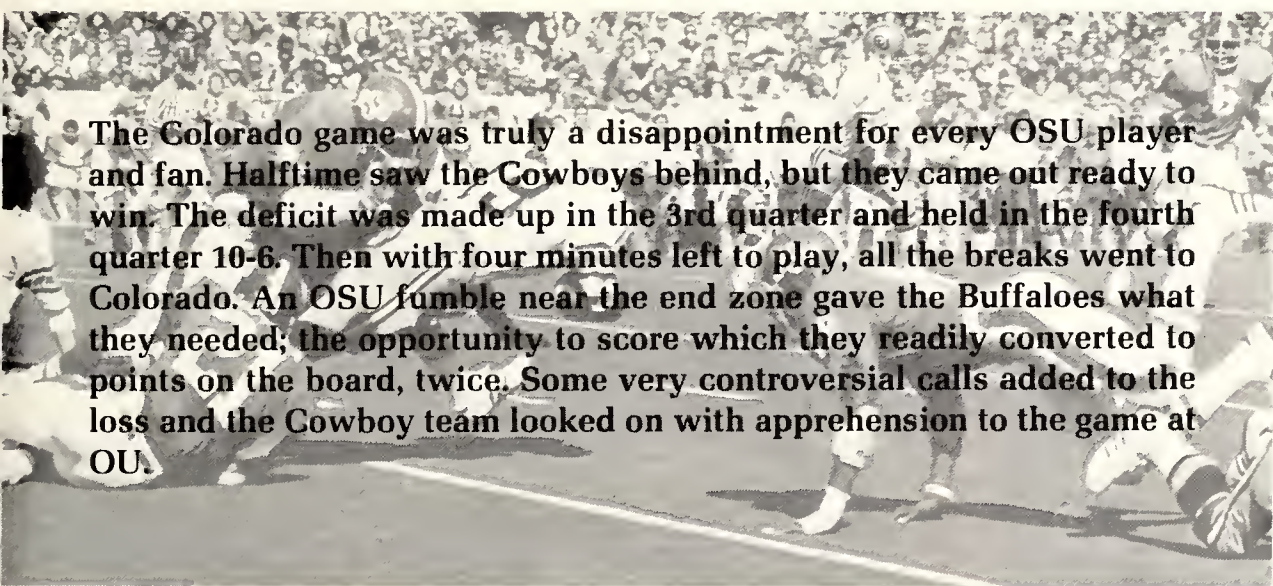

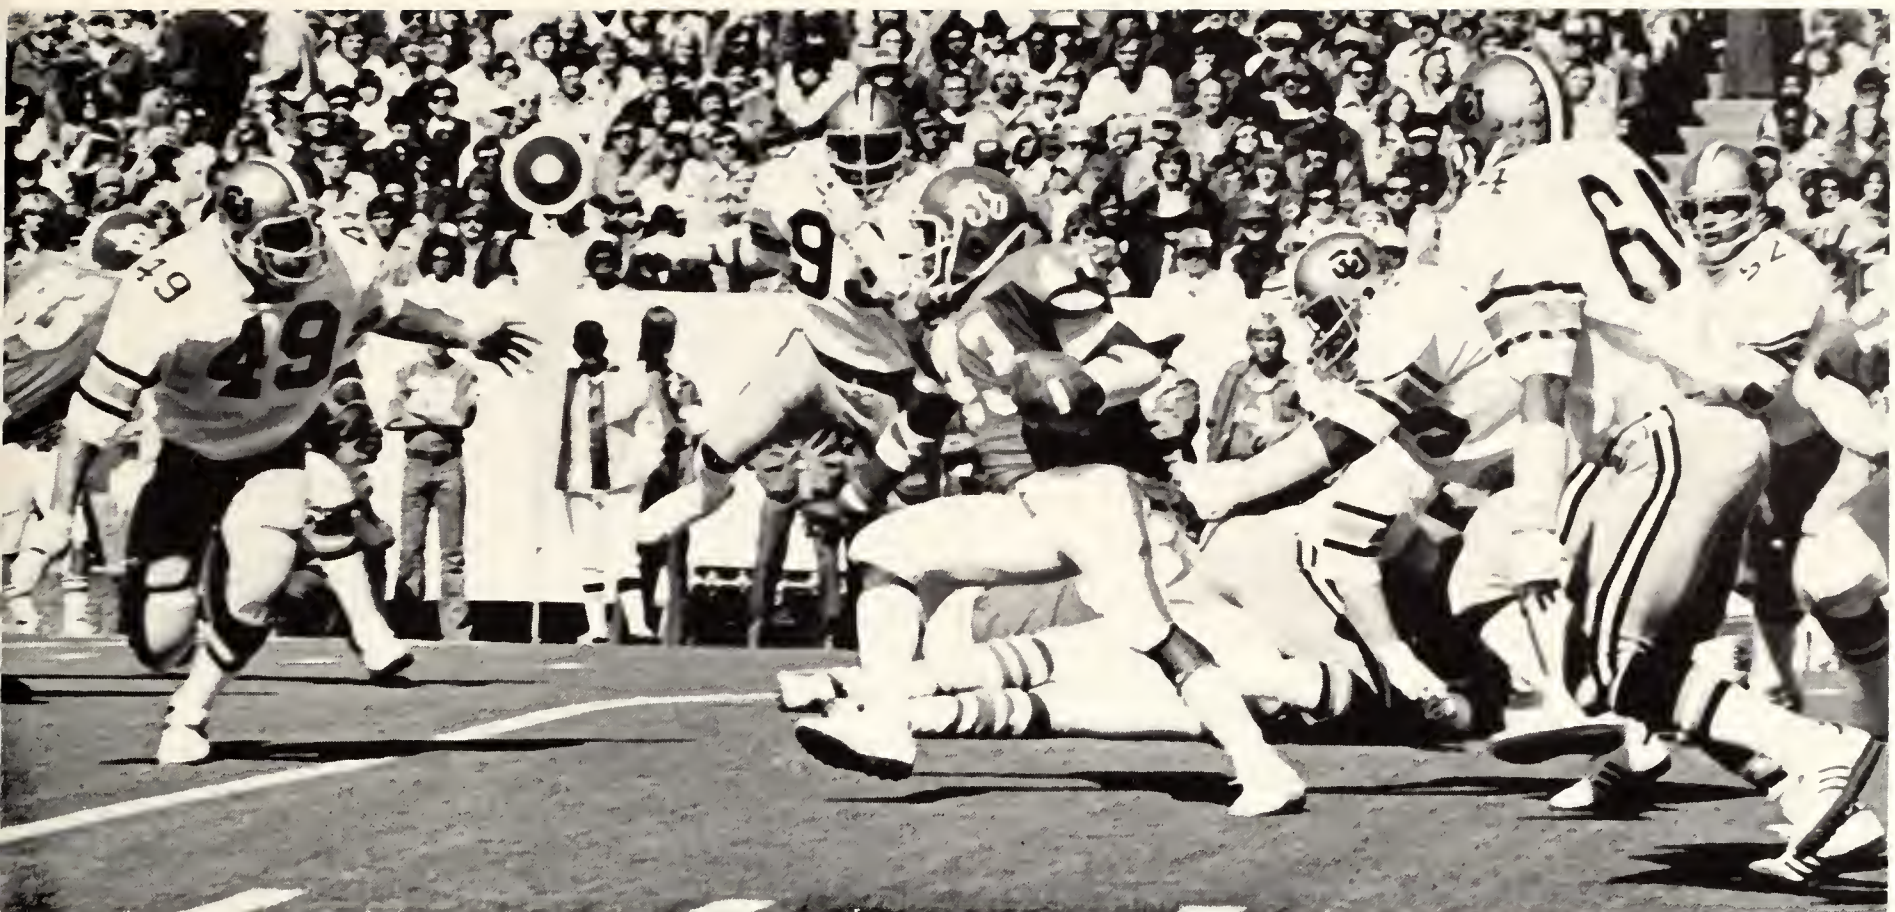

Kansas 21-14

ABOVE RIGHT: Always a familiar sight, Phillip Dokes blocks another pass. RIGHT: Sam Lisle scores a touchdown despite the dauntless efforts of the Kansas defensive unit. ABOVE: Both teams took time out as this Irish Setter held up the game for several minutes before being escorted off the field by an OSU coach.

The Cowboys played a tough and consistent game against the Jayhawks. Weatherbie's throwing arm was in good form, so much of the yardage gained was in the air. Gerald Bain and Sam Lisle both moved with speed and accuracy to complete Weatherbie's fine passing. This was Cliff Parsley's best game for he kicked a punt of 66 yards and Kansas wasn't able to get return yardage.

The Colorado game was truly a disappointment for every OSU player and fan. Halftime saw the Cowboys behind, but they came out ready to win. The deficit was made up in the 3rd quarter and held in the fourth quarter 10-6. Then with four minutes left to play, all the breaks went to Colorado. An OSU fumble near the end zone gave the Buffaloes what they needed; the opportunity to score which they readily converted to points on the board, twice. Some very controversial calls added to the loss and the Cowboy team looked on with apprehension to the game at OU.

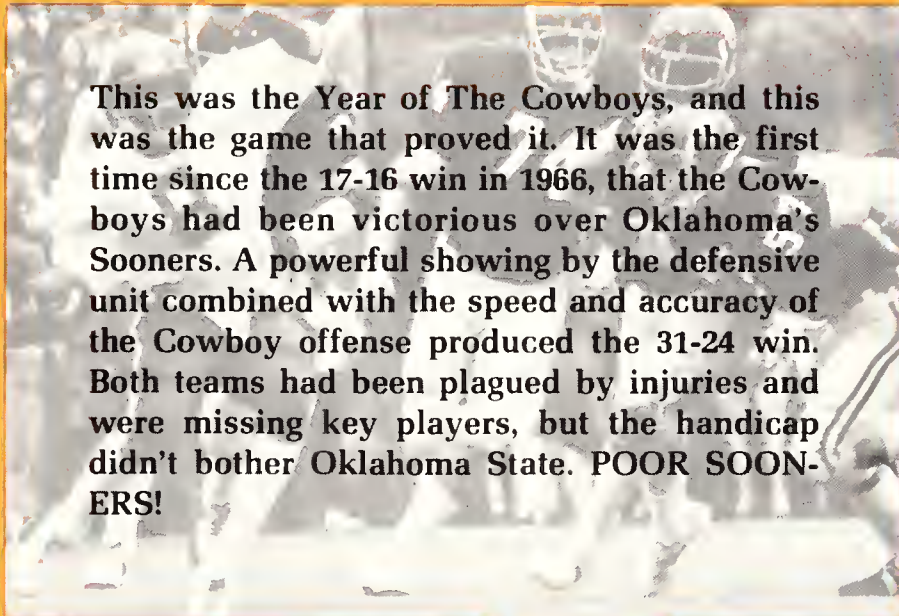

Colorado 10-20

ABOVE: Terry Miller uses his speed in gaining another ten yards. LEFT: Peter Coppola and Phillip Dokes show what teamwork can do. BELOW RIGHT: Gary Irions rests on the side while the offense takes a turn. BELOW: Surprise, Charlie.

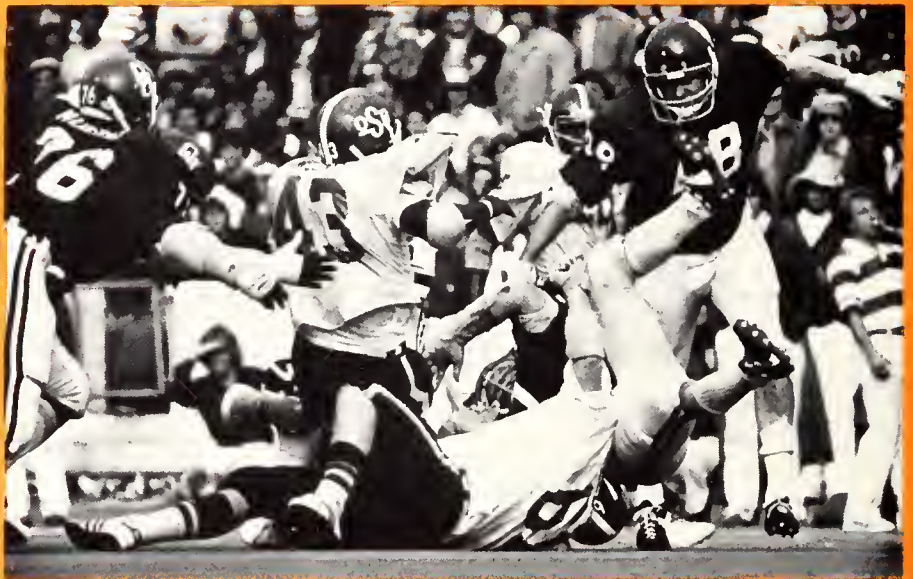

Oklahoma 31-24

This was the Year of The Cowboys, and this was the game that proved it. It was the first time since the 17-16 win in 1966, that the Cowboys had been victorious over Oklahoma's Sooners. A powerful showing by the defensive unit combined with the speed and accuracy of the Cowboy offense produced the 31-24 win. Both teams had been plagued by injuries and were missing key players, but the handicap didn't bother Oklahoma State. POOR SOONERS!

ABOVE MIDDLE: Harold Bailey uses some evasive maneuvering to get around Phil Tabor (74), Duane Baccus (88), and Obie Moore (57). ABOVE: Junior Peter Coppola prepares to eliminate OU quarterback Thomas Loft. MIDDLE RIGHT: Oklahoma's defensive strategy keyed on Terry Miller. RIGHT: The fan's favorite — ORANGE POWER!!!

Coming off the OU victory, the Cowboys faced a team with the most ironic series of wins and losses in the Big 8. But the unpredictable Missouri Tigers couldn't stand up to the hard hitting Cowboys, although it was Abby Daigle's accurate kicking that insured the one point victory. Despite the cold and regardless of the mental pressure, the unified Cowboys, beat the Tigers out of a share in the Big 8 title.

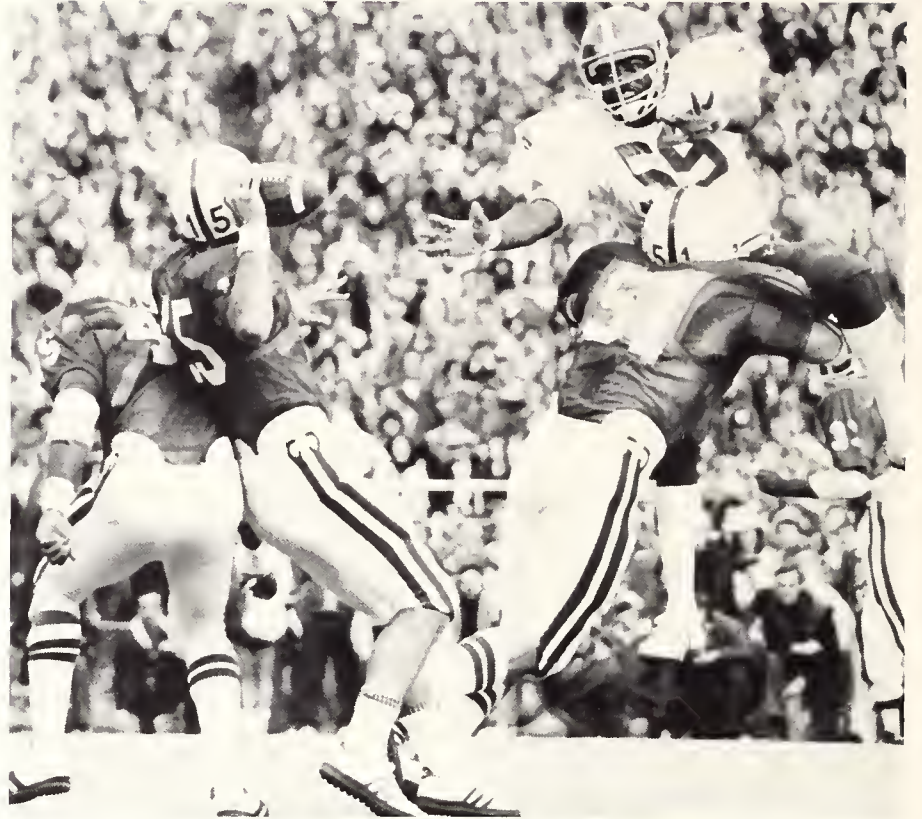

Missouri 20-19

TOP RIGHT: The shutter just wasn't fast enough to catch Terry Miller. Terry's speed helped the Cowboys immensely throughout the season. ABOVE LEFT: Charlie calls the signals. MIDDLE: Homecoming queen, Susan Thomas is crowned at halftime. RIGHT: Cliff Parsley leads the Big 8 Conference with a 43.7 yard punting average. BELOW RIGHT: Harold Bailey looks for a place to run behind backs Terry Miller and Skip Taylor. BOTTOM LEFT: Skip Taylor breaks outside to find running room. BOTTOM RIGHT: The defensive squad rests during a Missouri time out.

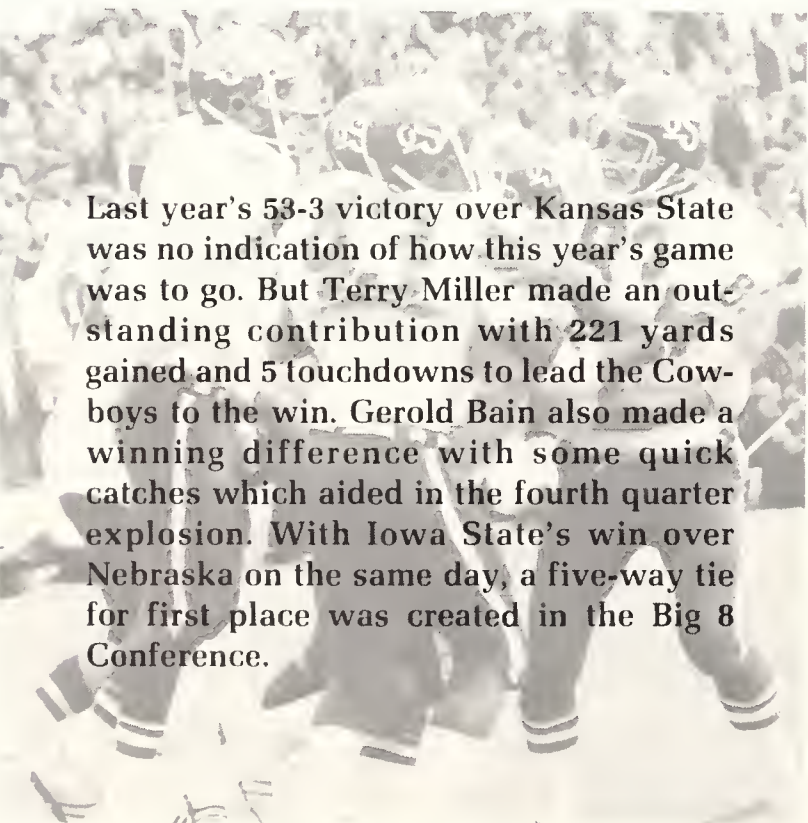

Nebraska 10-14

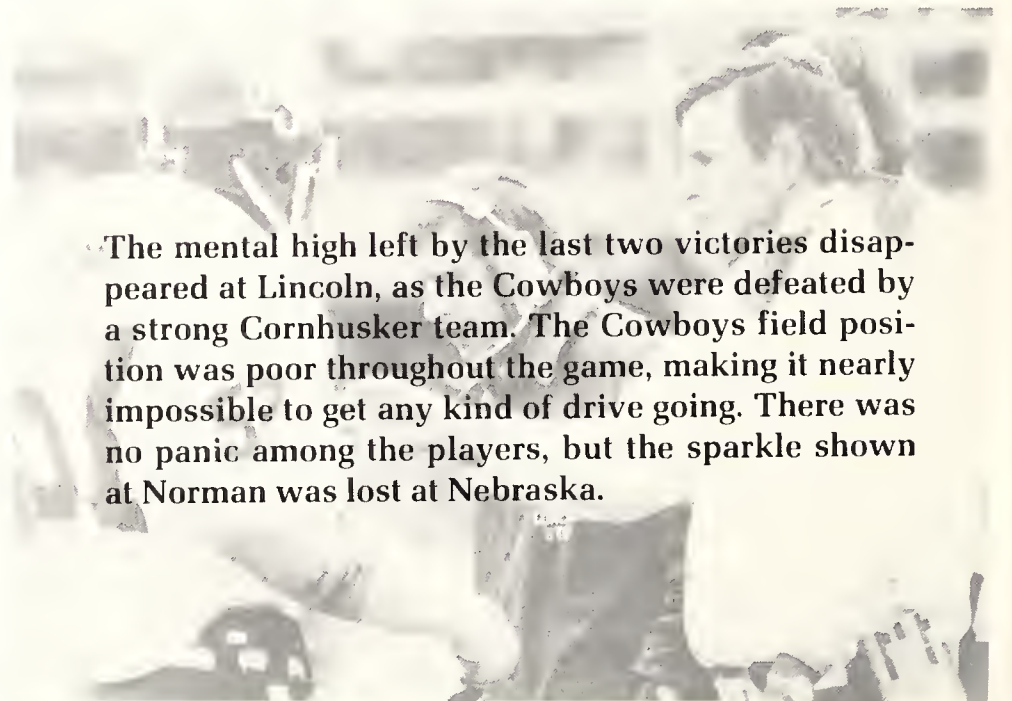

ABOVE: Vince Ferragamo will have a hard time getting this one past the up-ended Daria Butler. BELOW: "Falling on the ball."

"I'm afraid we have a difference of opinion here . . ."

Last year's 53-3 victory over Kansas State was no indication of how this year's game was to go. But Terry Miller made an outstanding contribution with 221 yards gained and 5 touchdowns to lead the Cowboys to the win. Gerold Bain also made a winning difference with some quick catches which aided in the fourth quarter explosion. With Iowa State's win over Nebraska on the same day, a five-way tie for first place was created in the Big 8 Conference.

The mental high left by the last two victories disappeared at Lincoln, as the Cowboys were defeated by a strong Cornhusker team. The Cowboys field position was poor throughout the game, making it nearly impossible to get any kind of drive going. There was no panic among the players, but the sparkle shown at Norman was lost at Nebraska.

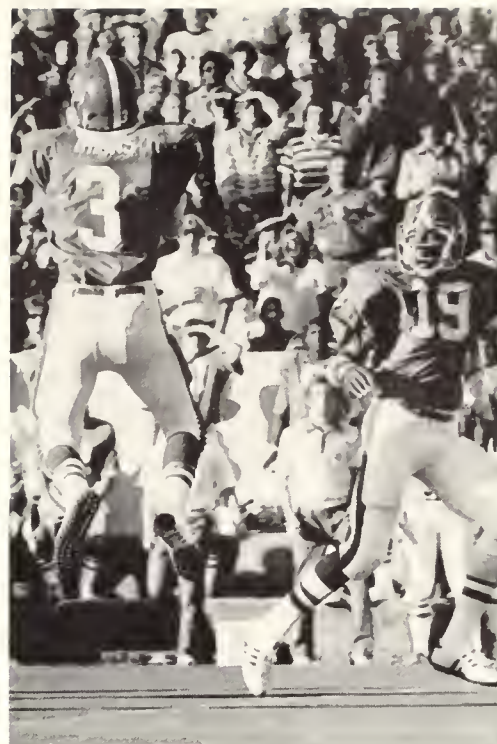

Kansas State 45-21

This was the game that determined the post-season activity of the OSU Cowboys. Parent's Day participation and the anticipation of Bowl bids heightened the excitement of the contest, making it a "Bowl" game in itself. But the Cowboys still had another game to go, before making the trip to Orlando and the Tangerine Bowl. The Cowboys were ending one of their best seasons ever with part of the Big 8 Title under their belts.

ABOVE: Halftime ceremonies. RIGHT: Gary Irions intercepts a pass. BELOW LEFT: Weatherbie scans the field. BELOW RIGHT: Senior place kicker Abby Daigle easily adds on another point.

Iowa State 42-21

BELOW LEFT: A very happy Sam Lisle. BELOW: Terry Miller, down?

Texas-El Paso 42-13

Playing against the elements as well as El Paso's Miners, the Cowboys played a very convincing game to wind up their regular season. Charlie Weatherbie was able to break away for 180 yards while Terry Miller was held to only 110. Even so, Miller was named Player of the Year by the UPI. Five other Cowboys, Derrel Gofourth, Daria Butler, Phillip Dokes, Cliff Parsley and Abby Daigle also made the all-stars.

Panhellenic

Panhellenic and *IFC* form the backbone of the greek network. Representatives from each house promote the views of their living groups. The two governing bodies are responsible for athletic programs between the fraternities and sororities. Spring Sing and Greek Week are activities which are sponsored by IFC and Panhellenic. The rush format is also an important activity which is handled by these groups. Greek letter living groups are no longer merely social clubs, but groups of individuals living together in an atmosphere of friendship and personal development. IFC and Panhellenic strive to promote this atmosphere of brotherhood and sisterhood.

RTX and OFF-CAMPUS

The *Residence Halls Association (RHA)* at OSU, composed of nearly 7,000 residents, concerns itself with four major areas: programming, recommendations of policies, student needs and services, and communication. Efforts in all these areas are legislated by the 37-member Assembly, where all 14 halls are represented, and are administered through the executive branch.

Programming this year included many of the traditional activities as well as innovative new ones. Campus wide, watermelon feed and Homecoming dance returned, while a movies series, speakers, RHA week and a bus trip to the Nebraska football game were held during the year. Successful new programs started this year included The Hunt '76, Thanksgiving Prayer Breakfast and Fall Hall Fun For All. RHA Christian Fellowship was continued and the outstanding intramural stars were rewarded with t-shirts. Richard DelaFont, popular hypnotist, drew a capacity crowd. RHA tackled policy issues and unique problems arising with the 100% plus capacity in the halls. Commit-

tees worked closely with the administration concerning parking policies, roommate, and visitation policies. Bunk beds were available and created a whole new look in dormitory rooms.

Programming also excelled at the individual hall and floor levels. Kerr-Drummond became the first independent large group act to participate in Varsity Revue. Movies, speakers and international programming had large participation.

The OSU Residence Halls System was especially honored this year by hosting the National Association of College and University Residence Halls Summer conference. RHA is nationally recognized as one of the most outstanding organizations of its kind. NACURH '77 will bring national residence halls leaders together to exchange ideas, with the OSU group planning and coordinating all activities.

Over the past year, Bennett has sponsored some of the most notable educational-cultural programs on campus; including an international gourmet dinner and an international Christmas display. Traditionally, Bennett has actively supported O.S.U. athletics; this year winning the R.H.A. spirit banner and taking second in Homecoming. Bennett Complex — the place to live at O.S.U.

CORDELL HALL

CORDELL HALL EXEC's: Sara Morgan, Vice President; Becky Hopper, President; Kevin Wilson, RHA Representative; Sally Caldwell, RHA Representative; and Bill Archibald, Treasurer.

Cordell Hall's friendly people made their living area an interesting place in 1976-'77. The 507 people who resided here were responsible for many social events such as dances, formals, and many movies. The people also initiated and completed the painting of their lobby and several hallways. The hall also sponsored a trip to South Padre Island over spring break. This residence hall famous for their "GIVE EM HELL COWBOYS" sign at football games, became an unusual and exciting place to live.

MURRAY HALL

The ultimate goal for the SUPER STARS of *Murray Hall* is the same as living groups everywhere . . . to allow these few years of collegiate society to be a very positive transition from one's parental home to one's own home. The residents here have strived for effective communication, active participation and cooperation in activities including disco dances, a float trip down the Illinois, a scavenger hunt, a semiformal dance, a fund-raising project, and homecoming. The main accomplishment of the residents of Murray Hall, 1976-77, has been the realization of the fact that in spite of being stigmatized with a label of "overflow contingency hall," that we must operate as any other residence hall on the campus of Oklahoma State University. Perhaps this has been the best lesson in prejudice that any of the residents of Murray Hall could ever have had.

PARKER HALL

Parker Hall is most noted for its athletics having won R.H.A. men's overall intramural sports standings in 1976. Part of our success may be attributed to our pre-season tournaments for each major sport as well as full participation from each of our four floors. To acknowledge those who have excelled we conduct the Parker Sports Banquet in the Spring. In addition to first place athletics, Parker also received the Men's Top Scholastic Award for resident halls. For the community we continued our annual Santa's toys for underprivileged children. At home Parker and Scott Halls had their enjoyable tug-o-war over Theta Pond (which Parker won). For the future, Parker Hall will continue to strive for excellence in academics, recreation, and the quality of life. We feel privileged to have all three.

STOUT HALL

STOUT HALL COUNCIL: BOTTOM ROW: Johnny Reaves, Newt Wheatley, Nadir Metha, Steve Alyea, Mike Slaughter, Randy Worden, Terence D'Souza. BACK ROW: Ralph Rector, George Brooks, Roy Brower, Roger Kidson, Rick Stone, Steve Huddelston, Rory Lindgren, Dave Wallace, Scott Graves, Dave Stevens, Chuck Morris, Gary Becker, Jim Barnes, John Rule.

Stout Hall started the year off in the annual tradition of Stout's Root Beer Bust in the Stout-Murray courtyard. This effervescent occasion also marked the beginning of the Interwing Volleyball Championship. Later in the Fall, residents were treated to the fourth annual Kamoniwannalaya Luau by Stout, Willard and Murray. Homecoming House decorations with "Pistol Patton" as the theme were a joint effort by Stout and Willard. In December Stout hosted Willard at a Christmas Party complete with a gift exchange, lots of cookies and eggnog and with entertainment provided by "Stout's Finest." Presently, Stout is sponsoring a lecture series for International students on American customs and traditions. On the agenda for spring are a Stout sponsored Bike-a-thon, the proceeds going to the American Diabetes Association, and the Stout Hall Olympics in which residents will compete in everything from tug-of-war to chess.

FAR RIGHT: A good eye and a steady hand are still a basic requirement for Stout Residents. RIGHT: These individuals from Stout have been carefully selected by the Pre-Vet Club because they have been exposed to the Swine Flu virus.

ABOVE: Social experiments are popular even in Stout as Verne Bryant and Brian Waugh discover just how far fifteen rolls of T.P. will go. RIGHT: Security is always tight at Stout Hall as Johnny Miller guards the main desk. Lorenzo Coleman thinks twice about asking for change.

WENTZ HALL

This fall residents were greeted by the Wentz exec's with "Hi! Ya wanna buy a Wentz — for the hall of it! button for 25¢?" Everyone got a chance to say "Howdy!" before classes started with a picnic and watermelon feed on the Wentz lawn. Funds for Muscular Dystrophy were raised with a sponge throw. Wentz worked with Scott and Parker in unifying the triplex by placing first in RHA's Fall Hall Fun For All, placing third in The Hunt, and having all-night movies and a Halloween dance and spring formal. During the fall semester, we exercised to "Boogie Fever" in the basement, invited underprivileged kids to trick or treat in the dorm, participated enthusiastically in intramurals, held a dance with the men of Kerr, won the RHA spirit banner several times, and celebrated Christmas with a formal and a midnight candlewalk. During the spring semester, we held our annual bridal fair, participated in Spring Sing, worked on Mom's Weekend and sponsored a Spades tournament.

WILLARD HALL

Willard's year was full of wild and exciting programming. To kick off the year was *Francis E. Willard* week in September. Our biggest fall party, the *Komoniwanalaya Luau*, was held in October at Lake McMurtry. Other fall events included the Halloween Masquerade Ball, the fall recital, WOW Spirit Week, and spades and checkers tourneys. For the Christmas season, the women of Willard celebrated with our annual candlewalk and Christmas formal.

The spring semester was as busy as ever with Willard participating in the RHA Trivia Bowl and Spring sing. We also enjoyed the Annual Bun Warmer, the spring formal and the special spirit of unity at the Rosewalk. The seniors of Willard were honored at the Senior Dinner. Many thanks to all the people who make Willard a truly unique Residence Hall.

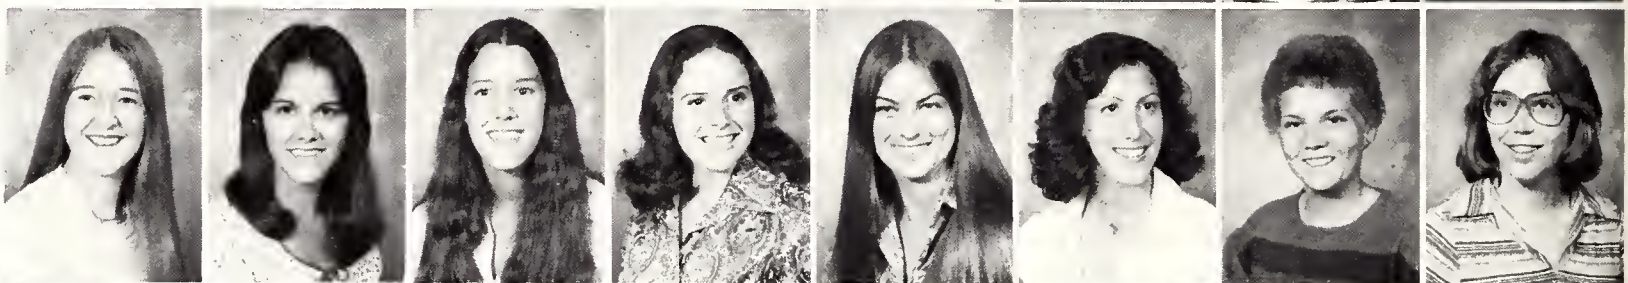

WILLARD EXEC'S: Diana Tolton, Margaret Lonergan, Manon Cavins, Debbie Deen, Alexis Haney, Susan Norvell, Debbie Buettner, Barbara Soerries, Sue Minshall, Christy Smith, Marcy Biby, Jessica Wilerson, Linda Morrissey, Barbara Hays, Margaret Poehling, Beth Wiles, Lacy Atkins.

WILLHAM COMPLEX

WILLHAM EXEC'S: FIRST ROW: Denise Daniels, John Bracklen, Carol McGee, Cindy Deprater, Jean Graff, Barry Williams. SECOND ROW: Ian Smith, Mary Chidchimo, Cathy Seely, Tom McCare, Carol Kersgieter, Barbara Brooks. BACK ROW: Greg Dean, Craig Schmitt, Jan Davis, John Cowan, Bruce Moesel, Donna Sigl, Dale Huggins.

CAMPUS CLOD AND CLODIA: Tim Shaw, Jamie Tyson.

From the beginning of the year, Willham has excelled at both campus-wide and interhall activities. In Campus Chest, Willham swept the honors of both the Men's and Women's Residence Hall and Clod and Clodia awards. On Parent's Day, Willham North and South both received the honor of having the most Parents attending. Each Fall, Willham plans two special weeks. Willham's Week included a Tug-O-War, the Willham spellout, and more. Willham's Week of Christmas included a candlewalk with Dr. and Mrs. Kamm as our special guests, a fashion show, and the tree decorating. These are just a few of the activities Willham Complex has for its residents, and it is these residents that makes Willham what it is — a GREAT HALL.

The RHA Sponsored a Watermelon feed during Howdy Week.

*For yesterday is but a memory
And tomorrow is only a vision
But today well lived
Makes every yesterday a memory of happiness
And every tomorrow a vision of hope
Look well, therefore, to this day!*

The 1977 REDSKIN is the product of the efforts of a small group of your fellow students who have sacrificed their sleep, grades, and free time in order to give you a record of OSU, 1976-1977.

John Sears, Sandie Heath, Holly Hess, and David Nickle were the core of the editorial staff. Not enough thank you's can be extended to these four enthusiastic and dedicated people. Many words of praise go to section editors Lisa Hendley, Bud Douglass, Randy Kinnear, Pam Hailey, Marilyn Modin, Linda Naylor, Cheryl Long, and Frankie Hill for a job well done. Special appreciation goes to all of these people for giving me confidence when I had none.

The photographic staff of Bud Sartain, Gary DeVore, Paul Quinnett, and Kathy Riffel was extremely cooperative and capable. A big thanks to each of you. The work of Daily O'Collegian photographers Dan Carlile and Steve Castleberry were much appreciated.

There were times of crisis and sincere thanks goes to those who helped in those times: Michele, Debbie, Anne, Pat, Kim, Linda Harmeson, and the Sigma Chi pledge class. A special thank you to my Alpha Xi Delta sisters for the courage and inspiration to keep going.

So many others must be recognized for their contributions to the 1977 REDSKIN: John Thurmon, Bob McCulloh, and Ron Rivers of Public Information; Pat Quinn and Jennifer Lamb of Sports Information; Mel Newsom Photography; Leland Tenney, my advisor; Evelyn Rains and Carolyn Feist of the business office; Phil Baum and Nancy Jones of Taylor Publishing Company; Bruce Twenhafel of SUAB; the Student Government Association; and the Residence Halls Association.

As editor of the 1977 REDSKIN, I have tried to incorporate new ideas and meet the standards set by previous REDSKINS. It has been a difficult task. But, despite the problems, doubts, tears, and headaches, it has been a very rewarding and fulfilling experience. I can only say to my staff that it would not have been possible without you. We laughed and played together, but worked when there was work to be done. Thank you so much for your cooperation and excellent work. The REDSKIN could not be possible without dedication and friendships among staff members.

Editor-in-Chief
1977 REDSKIN

Look to this day
for it is life
the very life of life
In its brief course lie all
the realities and truths of existence
the joy of growth
the splendor of action
the glory of power
For yesterday is but a memory
And tomorrow is only a vision
But today well lived
makes every yesterday a memory
of happiness
and every tomorrow a vision of hope
Look well, therefore, to this day!
